# GLITTERING FAMILIES IN DUBLIN OHIO SINCE 2023

In our first year as a not-for-profit, we are proud of what we have accomplished, the programs we have implemented, and the families that we have “GLITTERED”.

# THE YEAR IN REVIEW

In 2023, we glittered over 50 families, Spreading joy to families impacted by everything from a house fire to the death of a loved one after a battle with cancer.

We are currently "glittering" 20 families in the Dublin, Ohio area and assisting with their needs as they navigate life after a traumatic event or medical diagnosis requiring prolonged treatment.

We glitter our families in numerous ways. From delivering weekly meals, transporting them to and from appointments, providing laundry services, home cleaning, landscaping, to holiday basket drops and everything in between.

We also hosted two family parties in 2023 to connect families in our community and provide support to one another.

## SPRING HIGHLIGHT

We launched the Glitter Girls Guild in March, we glittered five families with spring lawn cleanups and "porch pops".

## SUMMER HIGHLIGHT

We began our Dinner + Glitter Tuesday meal program for all of our families.

## FALL HIGHLIGHT

We held Gaunche + Glitter, a volunteer event, to increase volunteer participation and awareness of what we do for the community.

## WINTER HIGHLIGHT

We held our first family holiday event Grinch + Glitter. The event was attended by over 20 children, 13 parents, and the Grinch himself.
